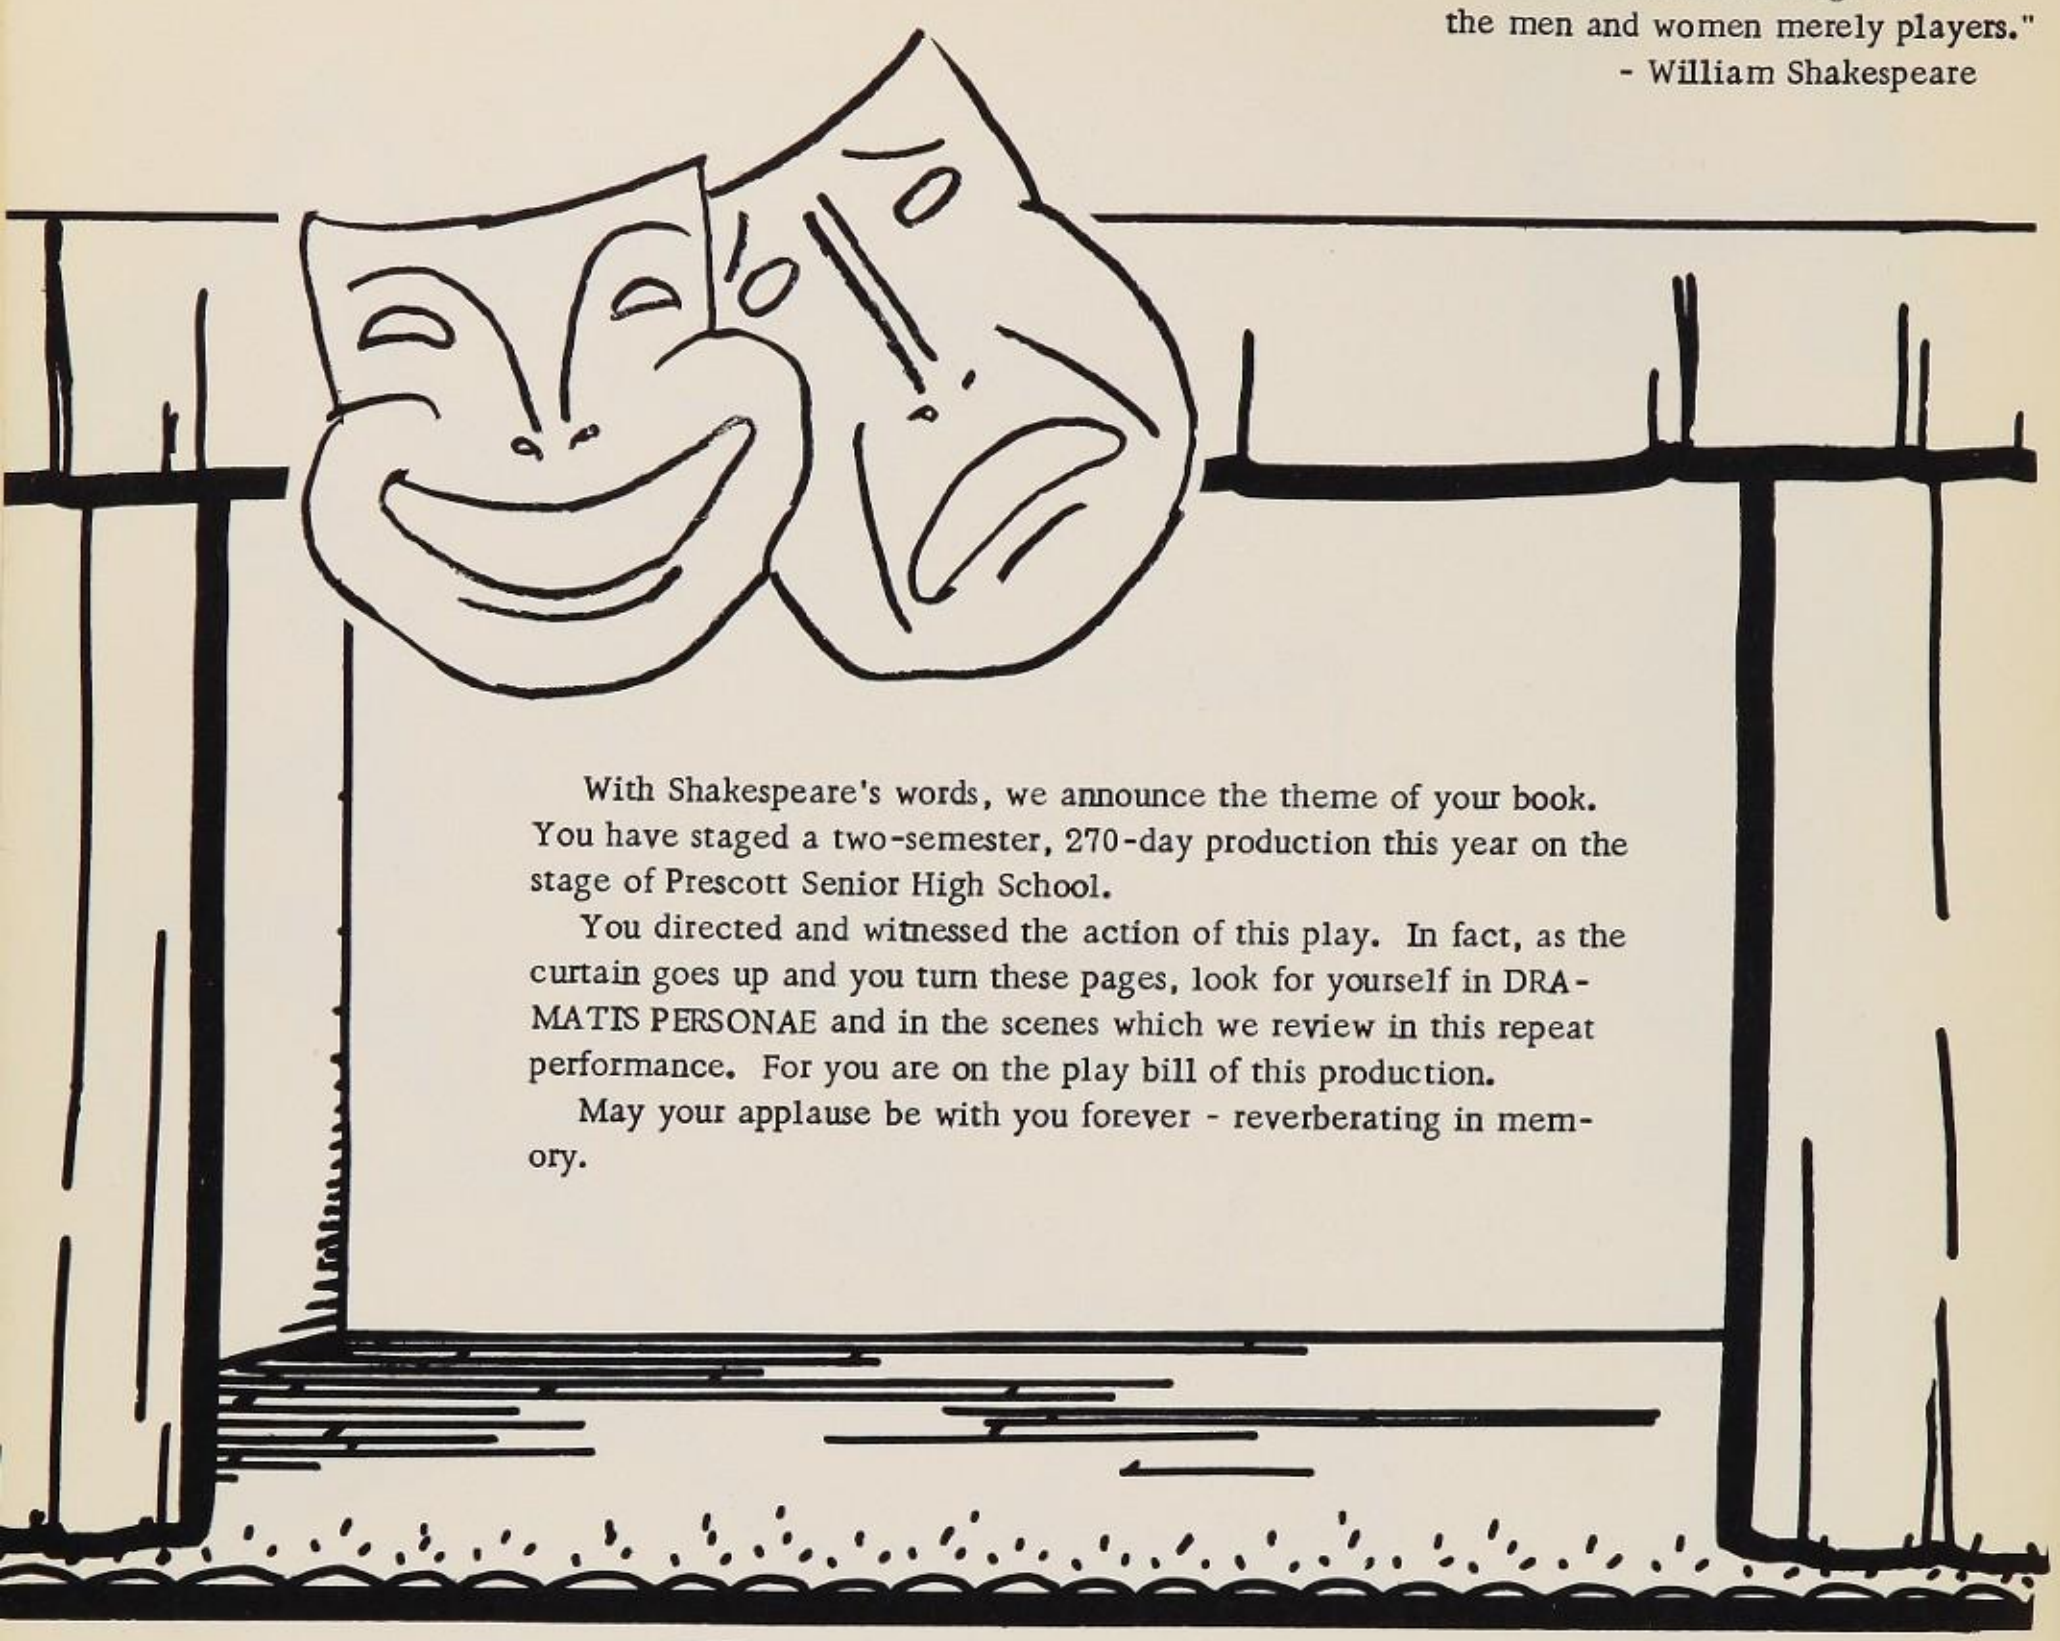
HASTY YAMPER 1957

"All the world's a stage and all
the men and women merely players."
- William Shakespeare



With Shakespeare's words, we announce the theme of your book. You have staged a two-semester, 270-day production this year on the stage of Prescott Senior High School.

You directed and witnessed the action of this play. In fact, as the curtain goes up and you turn these pages, look for yourself in DRAMATIS PERSONAE and in the scenes which we review in this repeat performance. For you are on the play bill of this production.

May your applause be with you forever - reverberating in memory.

THANKS

to Lorraine Koivu, Martha Ann Wendling, and Sam Crosswhite for art work and to Ed Hicks, Gary Purviance, and Jim Baum for photographs.

Dedication

Mrs. Ethel B. Tyson is most literally concerned with the stage of Prescott Senior High School. Many a real play she has directed with the best of taste and talent.

She has the Thespian masks of comedy and tragedy in her keeping as, each year, she helps the juniors and seniors select and present their respective class plays.

Mrs. Tyson, we appreciate the professional quality of the plays that you direct, and we dedicate the 1957 HASSAYAMPER, with the theatrical theme that you inspired, to you.

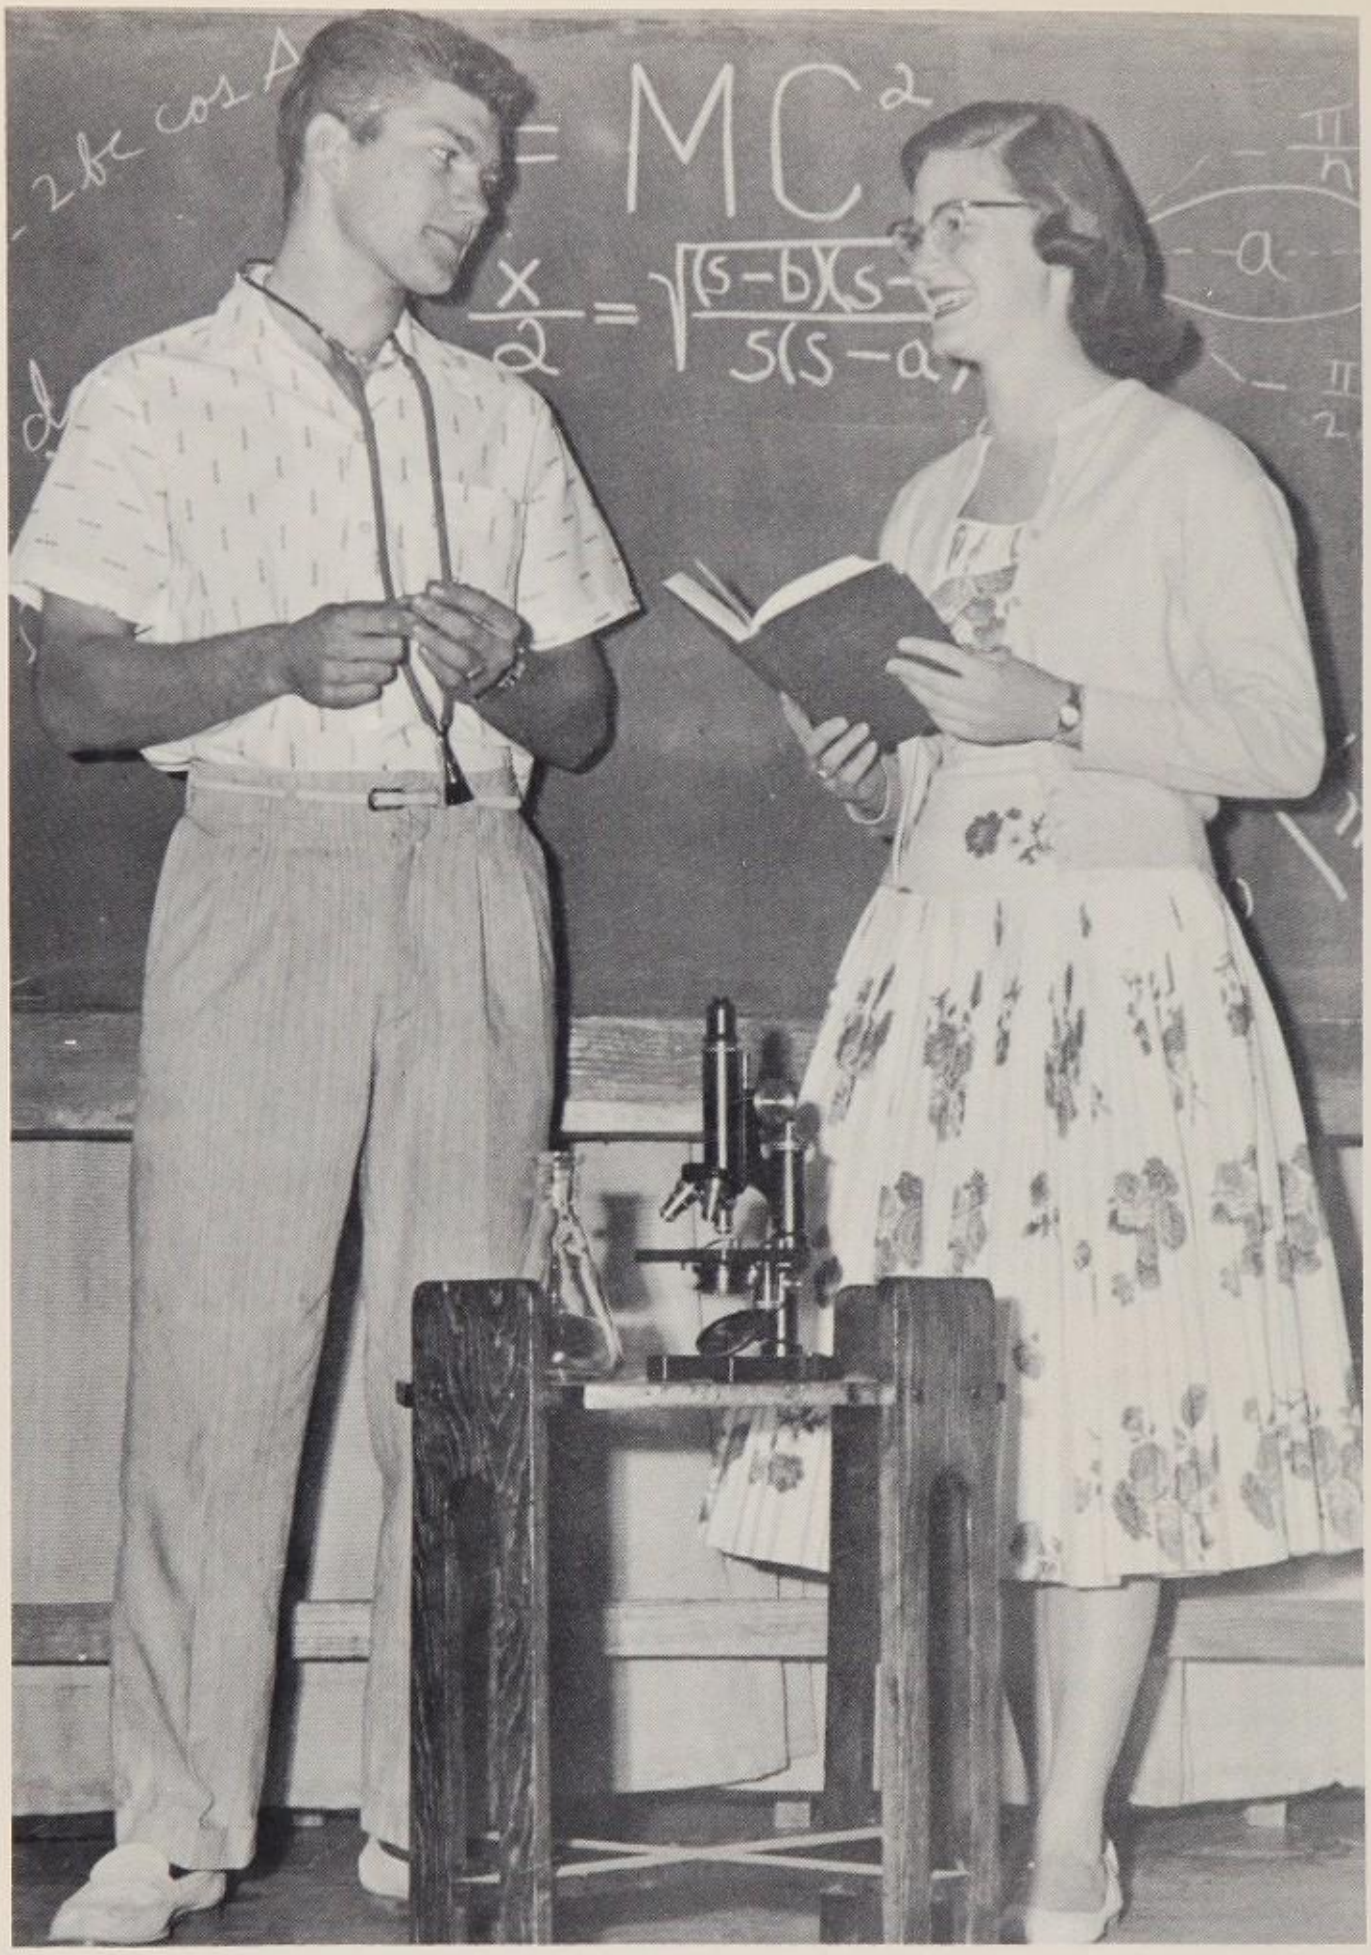
WHO'S
WHO



Most Likely to Succeed

BRILLIANT personality and intelligence make Kathy Krieger a friend of all, as well as their choice for girl Most Likely to Succeed.

Kathy has a talented finger in many pies: the Badger, of which she is editor; GAA, Usherettes, Library Club, Quill and Scroll, and National Honor Society, among others. She is planning college for the immediate future and, after that, a career.

EXCELLING in a variety of fields, Ed Hicks is the boy Most Likely to Succeed at almost anything--public speaking, writing, acting, or anything requiring gray matter.

Ed is president of the Science Club, photographer of the Badger, photographer and sports editor of the annual, and a member of Quill and Scroll, student council, slide rule club, Thespians, and others. He had the masculine lead in the senior play. A career in medicine beckons this boy.

Most Popular

SWEET PERSONALITY and graciousness make Joanne Gruedel, Most Popular girl, tops on everybody's list. A very active andbusy young lady, Joanne has belonged to FHA, GAA, Yellow Jackets, and Library Club. She was secretary of the junior class, and, as a junior, she was elected to the Thanksgiving royalty as Queen of the Plymouth Rock and Roll. In her senior year, Joanne has served as student body secretary and spirited captain of the pom-pon girls. Many a boy (and girl) will never forget Jo.

IN-ZANY WIT and a likeable manner: these remind us of Phil Oelze, Most Popular boy. A boy of many interests, he has lettered in football and baseball for three years; he was a sophomore homeroom officer; and, as president of the senior class, he has served very ably. His versatile qualities also include artistic ability. We'll remember him as wit extraordinary and friend super-duper.

Most School Spirit

AN UNBEATABLE combination are Sandra Neil's grace and pep, for which she was elected girl with Most School Spirit. She has displayed her spirit as head student body cheerleader and also as an active participant in school social life. She belongs to GAA, FHA, Yellow Jackets, and Junior Red Cross. A member of the band for three years, she has served as secretary of the Band Council. We'll remember Sandra's roles in both the junior and senior class plays, too.

OUTSTANDING CAPABILITY and likeability, demonstrated in many ways, make Tom Swanson the boy with Most School Spirit. A member of the Lettermen's Club, Tom has played football, basketball, and golf; he belongs to National Athletic Honor Society. Other interests have gained Tom membership in National Honor Society, Student Council, and the band. In his junior year, he was a delegate to Boys' State and a homeroom officer. Tom will be majoring in business administration at the University of Arizona in Tucson next year.

Most Artistic

SCINTILLATING personality and unusual talent are characteristics of Lorraine Koivu, Most Artistic girl. Her art contributions to the county fair have usually worn ribbons. Lorraine has held the offices of business manager and program chairman of the Art Club. She is often called upon to make posters for dances and games because of her clever and appropriate ideas. As a senior, she was assistant art editor of the BADGER and an art editor of the HASSAYAMPER.

ALWAYS IN DEMAND to make decorations for school social functions is our very talented Most Artistic boy, Jim Custer. Jim, too, has acquired a royal blue collection of ribbons for art work at the county fair. He plans to take commercial art or business administration at the University of Arizona in Tucson or Arizona State College at Tempe.

Remember Jim's part in the junior class play and his role as assistant student body cheerleader?

Most Musical

GOOD THINGS COME in small packages--like Kaye Passey, charming Most Musical girl. She's played the French horn in the band and orchestra for three years; throughout her band experience, she has attended the music festival in Flagstaff, having soloed there and played in the woodwind quintet. Also an accomplished pianist and organist, she gives piano lessons and is junior Sunday school organist in her church.

Some of her other activities are GAA, National Honor Society, FTA, and BADGER staff.

A REAL LEADER is Steve Abbott, Most Musical boy. He has played first cornet in the band for three years and in the orchestra and pep band for two years. At the music festival in Flagstaff last year, Steve soloed on the cornet and was named to the all-state band. In the annual school talent assemblies, too, Steve has demonstrated his unusual ability.

Among other things, Steve has served as a home-room officer, vice president of the junior class, and student body president.

Best Dancer

LINDA McMILLAN, who has displayed her pep as majorette for three years, also shows pep and skill on the dance floor; and she is our girl Best Dancer. In her junior year, she won the school jitterbug contest; and she has always supported and attended school social functions. Linda has been a homeroom officer for two years. She belongs to GAA, Yellow Jackets, Junior Red Cross, and Junior Officials. A delegate to Girls' State last year, Linda was chosen to go on to Girls' Nation--a recognition of her extraordinary qualities.

BEST DANCER Giles "Rink" Goswick enjoys all kinds of dancing, but his particular talent is for western dancing; he prefers the western "stomps." Rink was chosen "all-around cowboy" at the FFA Junior Rodeo in the summer of 1956, and rodeo activities are his favorites. He also played football in his junior year and basketball in his sophomore and junior years. After graduation, Rink will attend Colorado A. & M.'s school of veterinary medicine.

Most Athletic

AN ENGAGING SMILE for all occasions has Sandra Peterson, Most Athletic girl. She took top honors in archery, table tennis, and badminton in her sophomore and junior years. Her hobbies are athletic, too: bowling, tennis, golf, baseball, and horseback riding. Also active in school social life, Sandy is a charter member and officer of FTA.

KENNY JONES is really a many-splendored athlete, having lettered three years in football, baseball, basketball, and track. In his junior year, he was named to all-conference football and received honorable mention at All-State in football. Also, Kenny has played American Legion baseball for three years. During the summer months, he has done forest fire fighting.

Wittiest

FUNNY, FUN-LOVING, facetious: words to describe Billy Roberts, Wittiest boy of the class of '57. Billy is a member of the Pipers Car Club, and cars are his hobby. Elected to the student council in his senior year, he has been active in that organization's operations and has supported and attended school social functions enthusiastically. Talkative girls are an old pet peeve, but Bill's is new: "girls that are scared to talk."

SUNNY SIDE of the street is where Wittiest girl, Carole "Bert" Miller (and those around her) lives. Infinite good humor is the best part of wit, and it is a strong element in Bert's lively quips and counter-quips. Her activities are GAA, Yellow Jackets, FTA, Thespians, and Quill and Scroll. "Egotistical people" are her pet peeve, and making friends is her hobby. Her success in this kind of hobby should forecast success in any field.

Junior Varsity Coach James Topp

Coach Jerry Insley, in his first year as head coach of the Prescott Badgers, worked a group of inexperienced players into a very effective football team. The local gridmen compiled an over-all 6-3 record and a 4-3 conference record to place fourth in the Class A North Conference.

The Badgers won their first four games before losing the Homecoming game to Winslow, 19-0. The other two losses were to Tempe by a score of 34-7 and to Glendale by a score of 19-7. The victims of this year's Badger eleven were Sunnyslope, Superior, Flagstaff, Tolleson, Scottsdale, and Blythe.

When the balloting for the Class A North All-Star Team was completed, three Badgers were listed on the roster: Kenny Jones, end; Harold Allen, halfback; and George Fornara, center. Honorable mention went to Don Brown, guard; and Tom Swanson, quarterback. Jones was also placed on the Class A All-State Second Team. Allen and Fornara received honorable mention.

Badger starting lineup, FRONT ROW: Kenny Jones, Paul Hicks, Jake Ritter, George Fornara, Don Brown, Juan Mancha, and Rudy Silva. Backfield: Tom Swanson, Robert Hernandez, Jim McClain, and Harold Allen.

In regular season play the Badgers finished eighth in the Class A North Conference. But refusing to be left out, the team went to Tempe and captured the Class A North Crown. After gaining a berth in the tournament by beating Washington 48-31 in a sudden death playoff, the Badgers went on to tromp Winslow 50-35. Next in the march to the conference crown, the Badgers bowled over Tolleson by a score of 41-32. In the final Prescott smeared Tempe by a score of 41-33 and captured the crown for rookie coach James Topp.
